NSCP - 2015
NATIONAL SEMINAR ON CYBER PSYCHOLOGY
February 20th - 21st, 2015

“Transformation of Experience and Mental Health in connecting the Real to the Tech-fed Virtual World”

Organized by
Institute of Behavioural Sciences, Gujarat Forensic Sciences University &
Directorate of Forensic Sciences (DFS), Gandhinagar,
Under the aegis of Government of Gujarat

Supported by
BPR & D, New Delhi
GUJARAT FORENSIC SCIENCE UNIVERSITY

The Gujarat Forensic Sciences University (GFSU) was established by the Government of Gujarat for academic and research promotion of forensic science. The specialized University came into existence on the 30th of September 2008 and started functioning from July 2009 onwards. The University received recognition by the UGC as a State University in May 2011. It is located at Gandhinagar, Gujarat.

The University has three academic and research Institutions, namely: Institute of Behavioral Science, Institute of Forensic Sciences, & Institute of Research & Development.

The University runs in parallel association with the Directorate of Forensic Science (DFS), Gujarat State for providing hands-on training in investigative methods. It has a certified laboratory, maintaining International standards in terms of infrastructure and facilities for Forensic Analysis.

THE INSTITUTE OF BEHAVIOURAL SCIENCE

IBS is a postgraduate education and research center in the brain-mind domain. It conducts highly specialized PG courses in Neuropsychology, Forensic Psychology, and Clinical Psychology. RCI has recognized the M.Phil. course in Clinical Psychology.

IBS has unique Neuropsychology-Forensic Psychology laboratory with multiple facilities for electrophysiological experiments, and the students are trained in learning recording and conducting EEG and ERP experiments and computer analyses of the electrophysiological data. Other instruments are available for BEOS, Deception Detection, Neurofeedback and Brain Function Therapy.

Students are regularly posted at the Directorate of Forensic Science for training in Forensic – Investigative Psychological methods and they are supervised by the Forensic Psychology experts at the DFS.

The institute has an in-house consultation service center, Buddha Psychological Services Center (BPSC), which provides consultation and assessment services in diagnostic assessments, therapeutic and rehabilitative services. The facilities provided are Neurofeedback, Biofeedback, and Computerized Cognitive Retraining Programs. Clinical students are trained at Ahmadabad Mental Hospital, and Civil Hospital at Gandhinagar. Students visit prisons and juvenile homes for their training.

CYBER PSYCHOLOGY SEMINAR

Seminar on Cyber Psychology will be held on February 20th - 21st, 2015. Cyber Psychology will be the main theme of the deliberations for the two days.

The conference aims to bring out scientific deliberations on the chosen themes and provide a comprehensive study plan to cater to indigenous needs in proposing policy framework and implementation programs.

The conference will offer an opportunity for members, distinguished speakers, academicians and representatives of the Forensic and Mental Health domains to engage in constructive dialogue about critical issues related to cyber bullying, cyber crime and technology addiction and its consequences.

The Cyber Psychology conference will have seminars contributed by academic and research experts in relevant areas, and paper presentations by faculty and students.

**Sub themes:**

1. Positive effects & needs of Cyber Technology
2. Internet Addiction and its management
3. Advances in Cyberpsychology and Virtual Reality
4. Cyber Bullying and Cyber Stalking
5. Personality types in Cyber Space
6. Online gender-switching
7. Cyber Therapy and Pain Treatment
8. Gesture technology & Social Technology
9. Cyber Space as a psychological space
10. Social conditioning - Socialization of habits during Neuropsychological Developmental Stages.

Conception of these ideas and other relevant sub-themes form the major themes of the two day national meet, fostered for researchers, academicians, professionals and students.
